

DIH-LEAF

AWARDS 2021
Guide for applicants

Introduction

The Digital Innovation Hub on Livestock, Environment, Agriculture & Forest (DIH-LEAF) Awards aims to recognize the work of organizations across Europe who are enabling citizens to transform and enrich their lives through advances in digitalization on the primary sector. The focus is on the main activity fields of DIH-LEAF (Agriculture, Environment, Forestry and Livestock) while taking into account issues such as sustainability and territorial development.

The DIH-LEAF Awards recognize and celebrate their innovation, dedication and the inspiring role they play for many people and for the society as a whole.

Awards

The **DIHLEAF awards** will recognize the work of organizations in four categories:

- Most relevant organization in the **digitalization of livestock farming**.
- Most relevant organization in the **digitalization of environment and territories**.
- Most relevant organization in the **digitalization of agriculture**.
- Most relevant organization in the **digitalization of forests**.

The award winners (one in each category) will be recognized for their work and contribution on the sector. Additionally, they will receive a voucher (value of 300 €) to be spent on DIH-LEAF services and activities.

The award ceremony is scheduled to take place at the DIH-LEAF Launch Event, to be held **on May 11th, 2021**.

Terms and conditions

Nominations are accepted from organizations working in wider Europe (not limited to EU27) in the field of digitalization to promote significant advantages in the related areas.

In order to apply, organizations must submit their nominations by fulfilling the related form, available at <https://dih-leaf.eu/en/content/launch-event-2021>

The international jury (to be announced in the Launch Event website) will assess the nominations against a set of criteria and choose the winner in each category. The criteria are defined below:

- Innovation: 0-3 points
- Results obtained: 0-3 points
- Impact on the addressed sector: 0-4 points
